Dear Sir (Madam)

As part of your review I would be grateful if you would examine the possibility of realigning the Naas LEA for the 2009 Local elections. Currently Ballymore Eustace and Kilcullen are part of the Naas LEA even though they are in the Kildare South Constituency and do not have any real connection with Naas. There has been a huge population increase in the Naas area over the past ten years which includes areas such as Kill, Johnstown, Sallins, Caragh. I feel such an increase in population seriously warrants an increase of the current seats from 5 to 6.

To have the Naas LEA made up of Naas, Kill, Killeel, Johnstown, Sallins & Caragh in my opinion would make very practical sense in both an Urban and Rural scene. It would also reinforce the identity of the General election constituencies as I came across a lot of confusion of the boundaries with voters when canvassing last year.

I wish you the very best with your efforts and hopefully your review will give boundaries that make sense to the voter.

Yours Sincerely,

Cllr Darren Scully
