Re: Local Electoral Area Boundary Committees Consultation:

That in the review of Local Electoral Areas, I would request that consideration be given to uniting the parish of Kilmore & Aughrim, in the one Electoral Area. Currently a portion of the Kilmore Parish is aligned to the Strokestown Electoral Area (Kiltrustan Polling Booth) and I would ask that under this review that the Boyle Area Boundary be extended to Grange River to include all of the Kilmore & Aughrim Parish (Dangan, Scrabbagh and Aughrim Polling District)
