SUBMISSION

That the Belmullet Electoral Area which includes Erris (incl. Belmullet town), Ballycroy, and Achill (4 seats) be left as at present as a 4 seater on Mayo County Council; if the variance of population is -10% to maintain the four seats, that a small part of Wesport, (area(s) nearest to Erris / Achill) be brought in with Belmullet E.A. to make up the population to maintain 4 seats.

Note: Making Belmullet and Wesport one electoral area (7 seats) would not be at all suitable as it would create a huge electoral area that would be very hard to manage. Keeping Belmullet E.A. as at present (4 seats) is by far the most suitable.
