Subject: milford electoral area. Co Donegal

Sir- Madam

Regarding the Milford Electoral Area of Co Donegal I wish to submit that the Milford Electoral area be changed from a 3 Seat Constituency back to a 4 seat constituency as it was before 1998.

The decision to deprive this electoral area of its fourth county councilor was described by all political parties on the ground as a " political disaster".

Should Milford be given back its fourth Council seat it would give this area a much stronger voice at local government level and enable this area to get a fair share of the spoils.

Trusting this submission will receive your very best attention

Sincerely

Sean McClafferty
