To whom it may concern,

The changing of the County Cork electoral divisions.

The Muscraí Gaeltacht, (with the exception of oileán Chléire,) is Co. Corks ONLY Gaeltacht area. This is a special, & unique region, because of our language, culture, & heritage, a tradition which spans hundreds of years, & part of that landscape, & tradition is the fact that Macroom town has always been the capital of Muscraí, for business, for shopping, doctors, chemists, & MART, etc.

Whatever changes are made to the county electoral areas it is vitally important that the Muscraí Gaeltacht, consisting of Coolea, Ballyvourney Kilmankier, & Ballygenny are left intact as part of the Macroom electoral area. Macroom has always been our town, & we want this to continue. It is all very important that this small Gaeltacht area of Muscraí, is left intact as one area, to ensure that we can elect a county councillor who is ~~syn~~ systematic to our language, culture, & ideas, because all Gaeltachts are under severe threat at the moment.

Sincerely
