Dear Sir/Madam

Re: Electoral Area Boundaries

At a recent Meeting of the O'Callaghan's Mills Parish Community Council I was asked to write to you to outline our position in relation to the review of the Electoral Boundaries which is currently underway.

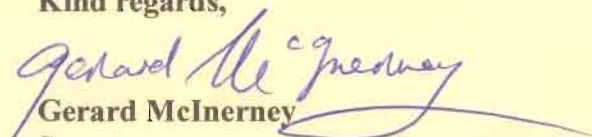

O'Callaghan's Mills Parish includes the village of Kilkishen and its entire hinterland to the East and stretches down to the Kilmurry/Sixmilebridge border on the West. As a Parish we have a strong sense of community and parish spirit.

All our Sporting, Cultural and Church Organisations from all corners of our Parish including Kilkishen are united under the O'Callaghans Mills Parish Banner.

For Local Electoral purposes our Parish is part of the Scarrif Electoral Area. The fact that our entire parish is currently included in the one electoral area in its entirety is of great benefit to us in terms of organising our community development work in our Parish.

We are strongly of the view that in any review of the Local Electoral Boundaries that our Parish should remain united under the one Electoral Area, namely the Scarrif Area which is working well for our Parish at present.

Kind regards,

Gerard McInerney
Secretary
