Dear Sir,

I wish to recommend the amalgamation of the Laurence Gate Electoral Area (currently 3 seats) and the West Gate Electoral Area (currently 3 seats) on the north side of Drogheda Borough into one Electoral Area consisting of 6 seats. The submission would provide balance with the existing arrangement on the Southside of Drogheda Borough of Dulleek Gate which has 6 seats. Under the new submission there would be an even split between the population per the Register of Electors and Elected Member representation.

Yours faithfully
