14th March 2008

A Chara,

I wish to make a submission to the LEA Boundary Commission as it relates to County Carlow. The matrix below shows that four of the five LEAs have deviations that are outside the acceptable range of +/-10%.

Carlow County Council				
LEA	Population	Members	Population per member	Deviation per LEA
Borris	6032	3	2011	-17.3%
Carlow No 1	6285	3	2095	-13.8%
Carlow No 2	14947	5	2989	22.9%
Muinebeag	10912	5	2182	-10.3%
Tullow	12891	5	2578	6.0%
TOTALS	51067	21	2432	

Tullow and Borris become a seven seater by transferring part of the Borris area into Muinebeag

Muinebeag and Carlow 1 become two 4 seaters by transferring part of Muinebeag into Carlow 1

Carlow 2 becomes a 6 seater which the current matrix dictates has the correct population.

Is mise le meas
