~~Private - Mr. Brian Moran~~

Dear Sir,

I am writing to you as regards the matter of local elections and I would like to point out a few points regarding same.

Firstly I and all Members of Ballaghaderreen Comhairle Ceannta totaly oppose a seat being re-drawn to the South Roscommon area from our area.

We think this move would be detrimental to Anna Lail in its endeavouement to regain a seat which was lost at the last local election.

We also want the Ballaghaderreen area left intact for the same purpose.
