Dear Sir,

I write to your committee asking in the strongest possible terms that under your terms of reference you will carry out your work in the fairest and democratic way possible. Do not for instance deny a seat to the Ballaghaderreen area in favour of some other part of Co Roscommon as it is the most under-developed part of the County and needs to have at the very least the same representation it now has

I depend on you to be fair and to be seen to be fair in your onerous duty which you are now embarked on

Yours Sincerely
Joe Creighton
